# GSM Summer Bible Camp - July 9 - 16

Thanks to the **Lifepoint Church** of Palm Bay Florida for providing a great Bible Camp.

The people from Lifepoint did week-long camps for our children in the villages of Milot, Biclair, and Savane Carree. Decisions were made. Children were loved. Lives were changed. Total enrollment for the week was around 400 children.

# GSM Pastor's School - July 22 - 26

GSM has begun regular Pastor's Schools in Haiti. Our goal is to help grow and ground the local Haitian pastors securely in God's Word. Mark Partin, of Indiana Ave Baptist Church in LaFollette TN, and John Copeland, of Lakeview Baptist Church in Oxford AL led this school, with studies in Colossians and Nehemiah.

# Mission House Upkeep & Repairs - June 6 - 13

Thank you to New Day Baptist Church of DeFuniak Springs FL, and the Elkton Road Baptist Church of Athens AL for finishing up renovations, repairs, and improvement to the mission house in Milot ...

Termites had made too many good meals out of our kitchen cabinets, so new ones were built.

Finishing up the soffit and fascia on our new roof

We have been blessed to be able expand our solar array. Solar is providing power for our mission house, elementary school, high school, and vocational school in milot. Sometimes we have to supplement our power needs with our diesel generator. But most of our needs are supplied with solar, saving us over \$12,000 per year in diesel fuel expense.

## The Hope Of Christmas

*the annual Christmas Ministry of GSM to the people of Haiti*

If you want to help us with our Christmas Bag ministry this year, be sure and call or e-mail Lamar right away if you have not already done so - and get on board with this year's ministry. We can't do it without you. Thanks.

## Be in prayer ...

► for God to protect the churches in Haiti. Just as it was in the days of the Apostle Paul, Satan works to come in and corrupt the Gospel that is preached. Pray that the Haitian pastors and Christians exercise discernment, and that God will preserve the integrity of the gospel and their worship.

► for God to continue to grant healing to Bill's foot.

► for God to continue His healing mercies on Bill & Sandy's daughter Jenny.

## Important Project Updates

### TOYOTA HIACE MICRO-BUS

Our effort to acquire a bus for the ministry is going well. It is a great need. Here is where we stand. We have received gifts and pledges totaling \$22,830. This leaves a balance needed of \$27,170 to reach our goal of \$50,000. Be sure and call or email to get the latest figure on where we are with this effort, or just send your gift to GSM. Be sure to include a note that you want your gift designated for the Team Van. Our goal is to complete this project by August 31, 2013. Thank you for praying for this need, and the work of GSM.

### THE SHEPHERD'S CARE WALL

Funding is complete for the wall at Savane Carree, and work has begun. Thank you for your help. In this picture, Bill and Christian Lavaux are prayerfully planning a construction process and strategy that will preserve and protect the funding God has provided. It is a sacred trust. Soon we will have some pictures of the progress.

### AIMEE'S HOUSE

Many of you are familiar with Aimee. Bill & Sandy have raised her since she was abandoned as a baby. She is now 16. About two years ago, we located her grandmother (pictured above) in Cap Haitien. She is a wonderful Christian lady and has become an important part of Aimee's life. During the week, Aimee lives with her and several family members, while going to school in Cap Haitien. This has been good for Aimee. One problem is that her grandmother lives in a shack. So we want to build a house for Aimee and her grandmother. It will cost \$7,000 to build a nice home for them on the small plot of land in Cap Haitien where the shack is currently situated. We have \$4,730, leaving a balance needed of \$2,270. Call or email to get the latest figure on where we are with this effort, or just send your gift to GSM. Thank you for praying for this need, and the work of GSM.
