Beautiful Biclairé Renovations

Thanks to the team of 4 who came together from KY, FL, & AL to do a beautiful paint job on our chapel, elementary school, and high school at our Biclairé compound. Shortly after this work was completed, we held Campus Life Week for the children, and a Bible Conference week for the church family. It was nice to have such fine facilities!

The Shepherd's Care Project

We are moving forward with our 5 year 5 phase plan for a permanent medical facility at Savane Carree.

► Phase 1 is complete.

► Our present need is to complete Phase 2.

We have \$7,465 for Phase 2. We need \$27,535 more to begin and complete Phase 2.

The phases and progress are indicated below:

- COMPLETE** Phase 1: \$ 25,000 - survey land - secure existing titles - purchase adjacent properties
 Phase 2: \$ 35,000 - build additional walls to enclose and secure all GSM land at Savane Carree
 Phase 3: \$ 85,000 - do a site plan - drill well - build mission house - acquire generator
 Phase 4: \$ 100,000 - build a small clinic & surgical center - develop outpatient care
 Phase 5: \$ 150,000 - build hospital - develop inpatient care

Solar Power Grid

A FL businessman donated, and then helped install, a solar panel power grid for our Milot compound. At present we have cut our diesel generator use by about 2/3. We have 16 more panels left to install. When complete, we hope to cut our generator use to zero (except during extended periods of cloudy weather). This is going to save the ministry around \$1500 per month in diesel fuel expense. *We are thankful !*

Thank you

for your continued faithful support of GOOD SHEPHERD MINISTRIES. We are here by virtue of your faithfulness to God's work. You are such a blessing to our Lord Jesus Christ, to us, and to the people of Haiti. May God richly bless you. We are thankful that God has placed this work in your heart, and hope that you count yourself as a co-laborer together with Bill & Sandy. Indeed we are *"laborers together with God"*. Bill feels strongly that God is doing a great work in Haiti, and that a spiritual breakthrough is coming for this tortured country. There is much to do. Pray unceasingly for this ministry. And as God leads, we thank you for your continued support.

Some Thoughts

The work of GSM continues to go well. God continues to bless mightily. We must be challenging Satan's dominion, as lately it seems he has marshaled so many of his powers against us. But "greater is He who is in us, than he who is in the world". Thanks to God's grace and power, and your prayers, we are doing well. But please keep Bill & Sandy in your constant prayers as they battle *"against the world forces of this darkness"*. Bill is recovering nicely from his bruised ribs, and should be OK (if this is news to you, he fell off a ladder last month - but he is fine now). Thank you for praying.

Keswick Bible Conference Week

March 22-29

Each year we conduct spring Bible conferences in churches in northern Haiti. Our goal is to strengthen and revive the local church. This year we held 5 conferences simultaneously at churches in Milot, Blicaire, Savane Carree, Gran Pre, and Grand Riviere. We had 5 meetings at each church. Total attendance for all the meetings was nearly 7000. It was one of the most successful conferences we have had.
