Christian Lavaux successfully drove the new GSM Team Van from Port-au-Prince to Milot last week. It is on the compound! We are so thankful to all of you who pitched in to get this vehicle. Now you won't have to ride in the back of the truck while in Haiti! This van rides smooth! This is a stock photo. We hope to share a real picture soon. Welcome aboard!

## **Shepherd's Care**

The wall is complete. We are ready to enter Phase 3 of the GSM vision for a year round medical ministry to the Savane Carree area. To be brief, phase 3 will basically involve construction of a new mission house/team house similar to the mission house in Milot, but with a freshened floor plan for the Savane Carree needs.

*Please pray continually for GSM as we enter this next phase.*

# The Hope of Christmas for Haiti 2013

2013 was a great year for "The Hope of Christmas" - the GSM Christmas ministry to Haiti. Thank you to all of the churches and groups that provided Christmas bags. And thanks to the several churches that helped in the distribution. Pictures can tell the story!

This grandmother carried her child in her arms and his bag on her head!

Buckets of Hope were shared with many

Hundreds heard the gospel
